BINGOS: A “bingo” is a play using all 7 of your tiles, netting a 50-point bonus. Among experts, the winner out-bingos the loser 2-to-1, on average. Below are the three top-rated bingo stems and the bingos they form with the addition of one letter. Such additional letters, in alphabetical order, are underlined. For example: TISANE + A = ENTASIA, TAENIAS, etc. High Probability (“Hi Prob”) bingos are those most likely to be drawn from a complete set of 100 tiles. Repetitions or plurals of Top Stem bingos excluded.
